

REGULAR MEETING – September 9, 2009

**Speaker: Ms. Carol Parcher, Director of Emergency Shelter & Housing Services
Salvation Army – Langley’s Gateway of Hope**

Sustainable communities are about more than mixed-use development, transit and pedestrian-friendly design. It’s also about providing various housing and shelter options at all socio-economic levels. Langley’s Gateway of Hope will soon offer a hand up to people in our community that need it. Coupled with an affordable housing strategy, the Gateway of Hope should help us to move people from poverty to prosperity.
